

	COMMERCIAL TRACK	DATA CENTER TRACK	INDUSTRIAL TRACK
7:30–8:30 AM	REGISTRATION AND CONTINENTAL BREAKFAST		
8:30–9:30 AM	KEYNOTE ADDRESS AND WELCOME		
9:30–10:00 AM	BREAK		
10:00–11:30 AM	MORNING SESSIONS*		
	5 concurrent sessions; choose 1	Planning-Barriers-Solutions for DC Project Development	Tapping into DOE’s Portfolio of Manufacturing Energy Efficiency Resources
	Commercial Real Estate Member Meet-Up		
	Healthcare Member Meet-Up		
	Higher Education Member Meet-Up		
	Retail, Food Service & Grocery Member Meet-Up		
12:00–1:30 PM	NETWORKING LUNCH		
1:30–3:00 PM	AFTERNOON SESSIONS*		
	5 concurrent sessions; choose 1	2 concurrent sessions; choose 1	2 concurrent sessions; choose 1
	Accelerating Energy Efficiency Through the Commercial Lease	PUE Baselineing: Methods and Resources	Ending the Tyranny of the 2-Year Payback: Effective Industrial Financing Strategies
	Lessons Learned and the Future of Plug Loads		
	Maximizing Energy Savings in Laboratories	The Value Proposition for DC Optimization	Energy Efficiency’s Role in Adapting to a New Manufacturing Energy Landscape
	Maximizing Supermarket Refrigeration System Energy Efficiency		
	Reducing Energy Consumption in Restaurants and Kitchens: Turning Down the Heat on Energy Bills		
3:00–3:30 PM	BREAK		
3:30–5:00 PM	AFTERNOON SESSIONS*		
		The Value Proposition for DC Optimization	Ending the Tyranny of the 2-Year Payback: Effective Industrial Financing Strategies
6:00–7:30 PM	BETTER BUILDINGS CHALLENGE PARTNER RECOGNITION CEREMONY (INVITE ONLY)		

MULTIFAMILY TRACK	PUBLIC TRACK	RESIDENTIAL TRACK
REGISTRATION AND CONTINENTAL BREAKFAST		
KEYNOTE ADDRESS AND WELCOME		
BREAK		
MORNING SESSIONS*		
2 concurrent sessions; choose 1	4 concurrent sessions; choose 1	2 concurrent sessions; choose 1
Financial Options for Public Housing Authorities	Breaking Down the Barriers to Energy Efficiency & Renewable Energy Deployment in Water & Wastewater Facilities	Building Energy Benchmarking Data Cleansing and Analysis: Strategies and Guidelines
Incentives: What Gets Homeowners to Move, What Not So Much		
Green Operations and Management	Developing a Strong Energy Savings Performance Contracting Project	Giving Your Vision Wings: How to Operationalize Your Sustainability Goals
Staged Upgrade Initiative (SUI): Getting the Most Out of Every Improvement		
NETWORKING LUNCH		
AFTERNOON SESSIONS*		
2 concurrent sessions; choose 1	4 concurrent sessions; choose 1	2 concurrent sessions; choose 1
How to Get to NetZero in Multifamily	Achieving Financial Independence: Lessons on How to Create Sustainable Financing for Your Programs and Projects	Developing Momentum for Clean Energy Policy
Scaling Residential Energy Efficiency Programs		
Marketing Your Green Assets to Attract Residents	Emerging Trends in State and Local Energy/Climate Planning	Harnessing the Power of Data to Improve Building Performance
Solving the Problems of Residential Energy Efficiency Programs: The Mastermind Session		
BREAK		
AFTERNOON SESSIONS*		
Financing Renewables in Multifamily	4 concurrent sessions; choose 1	Georgetown University Energy Prize and Better Buildings Residential Member Meet-up
	Accessing Secondary Markets for Energy Efficiency Finance	
	City-Led Challenge Program Peer Huddle	
	Public Sector EM&V	Ramping Up Technology to Mitigate Climate Change: Innovations in Project Design and Program Development
BETTER BUILDINGS CHALLENGE PARTNER RECOGNITION CEREMONY (INVITE ONLY)		

*Additional Speed Dating with Financial Allies sessions are available

AGENDA AT-A-GLANCE
THURSDAY, MAY 28, 2015

CROSS-CUTTING SESSIONS

	DATA-DRIVEN RESULTS TRACK	FINANCING AND PARTNERSHIPS TRACK	HIGH-IMPACT TECHNOLOGIES TRACK	PORTFOLIO-WIDE STRATEGIES TRACK
7:30–8:30 AM	REGISTRATION AND CONTINENTAL BREAKFAST			
8:30–9:30 AM	KEYNOTE ADDRESS AND RECOGNITION CEREMONY			
9:30–10:00 AM	BREAK			
10:00–11:30 AM	MORNING SESSIONS: 11 CONCURRENT SESSIONS ACROSS 4 TRACKS; CHOOSE 1*			
	DOE Asset Score: Coming to a Building Near You	Capturing the Value of Efficiency: Incorporating Energy Performance Into Commercial Real Estate Investment Practices	Adaptive Reuse: Reimaging Existing Buildings	Driving Energy Savings in the Supply Chain
		Financing Energy Efficiency Improvements Through the Utility Bill	Integrating Solar PV: Strategies and Case Studies	Intelligent Efficiency: Delivering 21st Century Energy Savings
	Getting the Savings You Want: Strategies for Ensuring Real Energy Savings in New Construction and Existing Building Retrofits	Utility Programs for Industrial Customers: Key Attributes and Considerations for Effective Program Design & Implementation	Managing Data Centers In Multi-Use Environments	Seize the Day: Turning Building Lifecycle Milestones Into Energy Efficiency Opportunities
12:00–1:30 PM	BETTER BUILDINGS CHALLENGE PARTNER PANEL DISCUSSION & LUNCH			
1:30–3:00 PM	AFTERNOON SESSIONS: 10 CONCURRENT SESSIONS ACROSS 4 TRACKS; CHOOSE 1*			
	Finding and Funding an Energy Management Information System that is Right for your Building Portfolio	Advancing Commercial and Industrial Energy Efficiency Policies and Programs	High-Performance Troffer Lighting Solutions for Commercial Buildings	Now that We’ve Dipped our Toe in... Lessons Learned from the Better Buildings Challenge Water Pilot
		Leveraging the Real Estate Industry to Increase Energy Efficiency Upgrades	HVAC Solutions for Small and Large Buildings, Part 1: Lifecycle Management Approach for Packaged HVAC	Strengthening Resiliency through Clean Energy
		PACE: Innovations in Energy Efficiency Financing	Zero Net Energy: Defining It and Doing It	Using Technology to Engage Tenants and Save Energy
3:00–3:30 PM	BREAK			
3:30–5:00 PM	AFTERNOON SESSIONS: 11 CONCURRENT SESSIONS ACROSS 4 TRACKS; CHOOSE 1*			
	Accelerating Energy Data Access for Building Owners	Engaging the Homeowner to Learn about Energy Efficiency	CHP: Opportunities for Goal Attainment and Resiliency	Achieving Continuous Improvement in Energy Efficiency Through Strategic Energy Management
	Drive Action Through Energy Data Visualization	Free Money!: Working with Utilities to Make Your Energy Reduction Dreams Come True	High-Performance Street, Area, and Parking Lighting Solutions	
	Energy Savings Performance Contracting M&V	Working with DOE’s National Labs: Opportunities for Collaboration on Clean Energy Technologies	HVAC Solutions for Small and Large Buildings, Part 2: Mapping and Managing Large HVAC Systems	Engaging Employees to Drive Efficiency Behavior
6:00–7:30 PM	NETWORKING EVENT			

*Additional Speed Dating with Financial Allies sessions are available

AGENDA AT-A-GLANCE
FRIDAY, MAY 29, 2014

PROGRAM MEETINGS

	BETTER BUILDINGS ACCELERATORS TRACK	COMMERCIAL TRACK	MULTIFAMILY TRACK	PUBLIC TRACK
7:30–8:30 AM	REGISTRATION AND CONTINENTAL BREAKFAST			
9:00–10:30 AM	MORNING SESSIONS			
	2 concurrent sessions; choose 1	2 concurrent sessions; choose 1	Workshop on Multifamily Efficiency Programs	4 concurrent sessions; choose 1
	Better Buildings Energy Data Accelerator	High Impact Technologies Forum: Harnessing American Ingenuity and Innovation (invite only)		K-12 School Districts: Partner Meetings
				REEOs Working Group Meeting: Best Practices in Energy Data Management in the Public Sector
	Better Buildings Superior Energy Performance Accelerator	Sign Up: Speed Dating With Financial Allies		SEP Competitive Cohort Meeting: Stimulating Energy Efficiency Action in States
				SEP Competitive Cohort Meeting: Sustainable Financing for Retrofits (Retrofitting Public Buildings)
10:00–12:00 PM	MORNING SESSIONS			
	2 concurrent sessions; choose 1	High Impact Technologies Forum: Harnessing American Ingenuity and Innovation (invite only)	Workshop on Multifamily Efficiency Programs	3 concurrent sessions; choose 1
	Better Buildings Energy Data Accelerator			Better Buildings High-Performance Outdoor Lighting Accelerator
				SEP Competitive Cohort Meeting: Advancing Industrial Energy Efficiency
	Better Buildings Superior Energy Performance Accelerator			SEP Competitive Cohort Meeting: Supporting Leadership by Example in States
12:00–1:00 PM	WORKING LUNCH			
1:30–3:00 PM	AFTERNOON SESSIONS			
		High Impact Technologies Forum: Harnessing American Ingenuity and Innovation (invite only)	Workshop on Multifamily Efficiency Programs	2 concurrent sessions; choose 1
				Better Buildings High-Performance Outdoor Lighting Accelerator
				SEP Competitive Cohort Meeting: Clean Energy Economic Roadmap
